We're a Bucket-filling School!

It's official! Mrs. Carol McCloud was here last week to teach us how to fill each other's buckets and declared us a "Bucket-filling School". She taught us how to avoid being "bucket dippers" as well as how to use our "bucket lids" and how to be "dipper detectors". The entire concept of Carol's message was how to show kindness to others by being compassionate, confident, happy, and to focus on the good and best in others. It seems like a pretty simple concept, but sometimes it can be difficult to put into practice. The concept is not Carol's – it's biblical. God wants us to always see the good in others, just as He sees only the good in us. That is why next year's school theme will be "Building Others Up", based on Ephesians 4:29 – "Do not let any unwholesome talk come out of your mouths, but only what is helpful for BUILDING OTHERS UP according to their needs..." Join us by doing what you can to build others up at home, at work, in school, at the store, EVERYWHERE!

Thank You...

...to all who donated items towards Dress for Success. Over 100 pieces were collected. These will help a lot of women get back on their feet. Tax donation forms will be available in Joyce Ogilvie's mailbox.

LW Church & School Family Camping

Hello, Fellow Campers. . . It has been recommended by some that this year's camping trip should be here in our beautiful state of Michigan to help out our state's economy. With that in mind, it has been decided that this year's camping trip will be at Lakeport State Park campground (just north of Port Huron). It has a nice beach and many other amenities. So why not consider joining us for a fun weekend on September 5-6. To make reservations you can either call 1-800-44-PARKS or go to www.michigan.gov/dnr. We will be in the north campground in and around sites 122-124. Talk with Mark or Dawn Siewert if you have any questions (248-709-3520).
