"Walking in the Light"

Partners in Parenting **Securing Each Child's Future**

"Security" is a familiar word. We want a physically secure country, airport, workplace, home, etc. We take many precautions to make sure that our children are secure in our Lutheran schools and in other settings that care for them. This week, as we celebrate Lutheran Schools, we thank our God for the protection and security that we have here at Living Word. No matter what measures we take, we cannot guarantee temporal security. In Jesus Christ, we can guarantee eternal security. We can be confident knowing that the Father secured His Son to the cross, so that our salvation would be certain. The staff at Living Word is so thankful for the opportunity to share this message with all of our students and their families. Thank you for entrusting us with your child!
